To

The Chief Secretary to the
Government of Mysore,

Sir,

In submitting herewith Sholakere Amildar's report No. 444 dated 9th ultimo together with its enclosures recommending that certain lands in the Chikka Jajoor village, which have been reserved to Government may be given out for cultivation, I have the honor to state that the Survey numbers as per margin were ordered to be reserved and included in the list submitted to Government as per proceedings No. 4627-35 dated 24th November 1887.

2. The Government ordered that all Government unoccupied lands within a radius of half a mile of every Railway Station in the district should not be given out for cultivation. When these lands were reserved for Government the Railway road was under construction, but as it has been since completed the lands may not be required for Railway purposes. Further some of these lands are assessed with wet and garden rates being situated under a tank, and their reservation not only entails much loss to Government, but the ryots are also deprived of the only useful and valuable lands existing in this village.

3. Under the above circumstances, I beg to solicit that sanction may be accorded to give out the said lands for cultivation.

I have the honor to be
Sir,
Your most obedient servant
[illegible]
Deputy Commissioner.
